Parking Garage Instructions

When parking in the building's garage, please enter at 8th and Guadalupe. The ramp to the parking garage is located at the end of the Chase Bank's drive-thru center. You may park in any unreserved space. Please bring your parking ticket with you for validation. Take the garage elevator to the lower level, walk through the corridor and take the escalator to the lobby area. The building elevators are located just past the security guard station. Proceed to the 13th floor. Please call (512) 457-8000 if you require additional assistance.
